- Eager to apply technical expertise to contribute to innovative development projects

TECHNICAL SKILLS

Programming:	JavaScript, Java, HTML5, CSS, C#, SQL, jQuery libraries
Frameworks & Libraries:	.Net, Node.js, React.js
Operating Systems:	Unix, Linux, Windows
Development Tools:	Raspberry PI, Visual Studio Code, Visual Studio, Spyder, SQL Developer (Oracle)
Cloud Computing:	Google Cloud Platform
Version Control:	Git
Generative AI Integration:	Implementing APIs like OpenAI, Gemini for AI-driven features

EDUCATION

Software Engineering Technology (Co-op) Advanced Diploma	Jan. 2024 – Dec. 2026
Centennial College, Toronto, ON	GPA: 4.3/4.5 (A+)

Courses: Web Interface Design | Java Programming | Software Requirements | Database Concepts (SQL) | Client-Side Web Development | C# Programming | Unix/Linux OS | Software System Design

SELECT ACADEMIC PROJECTS

Retail Database - SQL
• Collaborated on designing an ER model, generating business rules, and creating relational database tables.
• Developed and executed SQL queries to address various data retrieval and manipulation tasks
Web Design - C#, HTML
• Designed a responsive, user-oriented website using C#, HTML, and CSS for a real estate agent to highlight properties for sale
• Implemented features like a scrolling image gallery, contact form, and optimized the design for web and mobile browsing
Software Requirements Specification Document - Job Recruitment Platform - EasyJobs
• Worked collaboratively using Agile practices such as daily standups and iterative development to deliver an SRS document for EasyJobs
• Developed comprehensive use cases and system requirements for EasyJobs, a job recruitment platform

PROFESSIONAL DEVELOPMENT

Communicating with Confidence   <a href="#">LinkedIn Learning</a>   (Online)	Sept. 2024
Customer Service Foundations   <a href="#">LinkedIn Learning</a>   (Online)	Sept. 2024
Web Development   AsWebInfo   (In Person - Punjab, India)	Sept. 2023

EXPERIENCE

Order Service Associate (Part-time)	Nov. 2021 - Dec. 2023
Guru Nanak Enterprises, Punjab, India	
• Processed wholesale customer orders, reviewed invoices, and resolved discrepancies with suppliers and customers
